

“We like The Payroll Factory because;

They give us peace of mind. We don't have to keep up to date with the latest payroll and tax information. They do it for us.

Fees are very reasonable. We would not be able to hire someone to do the amount of work they do for the price they charge.

We have no end of year worries. They do all the end of the year payroll processing for us.

Employees are accessible, pleasant, courteous, always helpful and available.”
