

**“Allen, Meg, Cathy, Jess and Linda,**

**Although we have only been with The Payroll Factory a few months, I have been overwhelmed and ecstatic with the timeliness, co-operation, personal attention, great attitude, helpfulness, and accuracy of your services.**

**We plan on a great relationship with The Payroll Factory for many, many years to come.**

**It will be my pleasure to recommend The Payroll Factory to anyone who may need a payroll service.**

**Your work is so good I should pay you more!!”**
